PUTS HOME SECURITY WHERE YOU NEED IT

AMSEC's DV652 was produced from our culture of listening to customers. Customers wanted a secure place to store their home defense weapons. They wanted something that could be kept in their bedrooms, close to their bed. After days of brainstorming, the DV652 was born. Sleek enough to fit under most beds, the DV652 can be secured to either the floor or the bed and is equipped with our backlit ESL5 lock, which offers a stealth-mode option and was specifically designed for this product.
